

## SMALL GROUP DISCUSSION QUESTIONS

**ICE BREAKER:** First, share your name, the neighborhood where you live. Then answer: what is your connection to the Noble neighborhood?

**TAKING CARE OF BUSINESS (25 min):** Our survey revealed focusing on establishing a vibrant business district in Noble as a top priority. How do you think that you (as an individual or as a member of a neighborhood group) could productively support bringing desirable businesses into Noble (and/or supporting the businesses that currently exist)? What role do you think residents should play in things like enhancing a business district?

**NEIGHBORHOOD PRIDE (25 min):** 50.4% of current Noble residents rated a high sense of pride in the Noble neighborhood, while only 19.8% of the broader community did. What causes this disparity? What can we, as individuals, as neighbors, as a community do to close this gap?
